JHL

CONSTRUCTORS

A family of driven employees thriving in the relentless pursuit of exceptional experiences and enduring relationships.

INTEGRITY

There is a right way to do business and we never deviate.

PASSION

We love what we do and this fuels us to go beyond the expected. We have a contagious enthusiasm about construction, people, and our Colorado community.

COMMITMENT

We are loyal to our clients, partners, and employees. As stewards for our clients, we simply will not be outworked in achieving the project vision.

PERFORMANCE

We are focused on operational excellence and delivering with absolute reliability.

OUR PROMISE

Doing The Right Thing - Always

JHL is an employee-owned Colorado focused company, with **35 years** in business. We have a passion for **Building Colorado's Future** starting with the infrastructure that every community needs to live, learn, work, and play.

INFRASTRUCTURE BUILDER*

INFRASTRUCTURE

Water/Wastewater

Transmission, Storage, and Treatment.

Land Development

Publicly-Owned Infrastructure, Commercial/Industrial Site Development, and Landfills.

Transportation

Roads, Bridges, Rail, and Complex Pedestrian Access Projects.

Mining

Reclamation, Expansion, Decommissioning, and Environmental Controls.

As it relates to self-perform work by JHL, our capabilities are robust and there are potential efficiencies with specific work elements that can be considered to bring additional value to the project. We have a powerful staff of 140+ skilled craftsmen and operators with the capabilities to self-perform horizontal and vertical scopes where efficiency value can be realized.
